The Veneto region, with Venice and Verona, has forever been recognized for holding some of the most romantic settings and for producing some of the most famous wines of Italy.

As one of the most romantic and visited destination in the world, Venice can be very appealing for those who wants to combine the intimacy of suggestive canals and walkways with art, architecture and history. Today, there are numerous attractions in Venice, such as St Mark's Basilica, the Doge's Palace, the Grand Canal, and the Piazza San Marco. The Lido di Venezia is also a popular international luxury destination, attracting thousands of actors, critics, celebrities, and others in the cinematic industry.

Verona is one of the main destinations in northern Italy because of its artistic heritage and several shows and operas, such as the lyrical season in the Arena, an ancient Roman amphitheater. The city is also the setting for one of the best William Shakespeare's play, "Romeo and Juliet". Our local guide will take you through the breathtaking squares, alleys, and monuments that make up this romantic city.

Discover Valpolicella region, the hilly agricultural and marble-quarrying region of small holdings famous for its Amarone wine production.
